

**Volunteer After-School Program Lead  
(Online and/or In-Person)**

**Effective:** September - December, 2021  
January - June, 2022  
**Time:** 4:30 pm - 6:30 pm (programs offered once per week from Mon - Fri)

The **Jean Augustine Centre for Young Women's Empowerment** is committed to empowering young women and girls between the ages of 7-17 years both locally and across Canada. We take a holistic approach to empowerment by providing programs that support the mental, physical, and social wellbeing of young women and girls.

We are seeking qualified and dedicated lead facilitators for the following after-school programs:

**Let's Experiment:** A STEM focused program, for ages 7-12, that provides participants with hands-on experiences in science. We are looking for a facilitator who loves science and is able to provide step by step instructions which allow the girls to learn more about science!

**Experimenters:** A STEM focused program, for ages 13-17, that provides participants with opportunities to hear from guest speakers in the STEM field, and creates hands-on experiments that find solutions to real world problems. We are looking for a facilitator who loves science and is able to show young women how fun and engaging science can be!

**HER Spot:** This program is focused on creating a safe and inclusive space where girls ages 7-12 and young women ages 13-17 will hang out (online or in-person) to play games and have meaningful conversations about friendships, self-esteem, social media and more! We are looking for a facilitator who will lead conversations and games with both age groups.

**Fun with Numbers:** This program focuses on the Ontario math curriculum and allows girls ages 7-12 to participate in hands-on activities that allow them to further develop their math skills. We are looking for a facilitator to develop powerpoint slides based on the curriculum and engage the girls in thinking about math based solutions to challenges.

**Reader to Reader:** This program focuses on assisting girls ages 7-12 in enhancing their comprehension and fluency in reading through predicting, visualizing, questioning, connecting, identifying, inferring and evaluating. We are looking for facilitators to lead pre reading activities, assist the girls in reading fiction and non-fiction books at their level as well as post reading activities. We are looking for a facilitator who loves reading and is able to create fun activities related to language!

**Volunteer Requirements:**

- Experience working with children and youth
- Skills and proven experience in the program genre
- Police Record Check - Vulnerable Sector (if over the age of 18 years)

Please complete the volunteer application noting your area of interest. For more information please contact [rachel@jeanaugustinecentre.ca](mailto:rachel@jeanaugustinecentre.ca).
