## EMPOWERED

### Our GOALS – Support Development & Sustain Growth

Our donors see the value of investing in gender parity and empowerment. With your support we will reach our goal of raising \$2 Million to empower 2,100 young women and girls by 2023. For every \$1 raised, 85% of funds are directed towards programming to ensure that young women and girls of all socio-economic backgrounds have equal access to opportunity.

**For \$115 we can empower one young woman or girl in 4-weeks of after-school programs, camp or workshops.**

<b>Programming</b>	Program Facilitators	\$20	17%
	Program Supplies	\$40	35%
	Food & Refreshments	\$20	17%
	Transportation	\$18	16%
<b>Operations</b>	Operational Costs	\$17	15%
<b>Cost of sponsoring one young woman or girl over 4-weeks</b>		<b>\$115</b>	<b>100%</b>
